Donnaoro Elements Jewellery of emotions

Jewellery, timeless charm,
a slender sculpture that celebrates beauty
and treasured memories.
Jewellery, joyfulness... but also play.

A simple concept that inspires
strong emotions in the sought after collections
of Donnaoro Elements.

Precious bracelets to which we can add pieces of life
to remember, to plan, to wish for.
A multitude of shapes, meanings,
precious materials, stones and colours.

An exclusive selection of elements in **18 karat GOLD**,
diamonds and precious stones to choose and combine with
your style, to create a unique piece of jewellery
that will always remind you of an unforgettable moment.

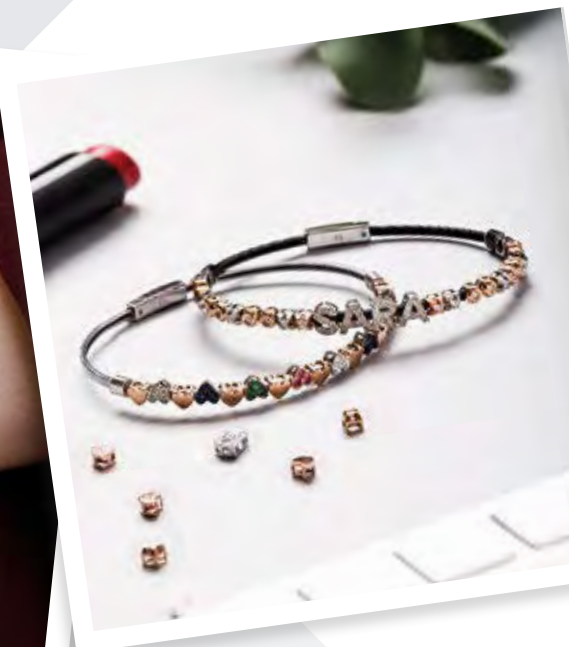

Unico

Woman,
that precious union of emotions and rationality:
unique, an ever changing individual.

She puts all her heart into her family.
She brings her passion, dedication
and talent to her projects.
Together with her friends,
she represents complicity and lightheartedness.
In her travels, she expresses curiosity and amazement.
In everything, she celebrates creativity and poetry...
in her own way, every time.

Strength, experience, emotions: elements of life.
Donnaoro Elements. Female elements.

DonnaOro
ELEMENTS

Prezioso

The gift is a deep, intimate gesture
from one heart to another.
An important act, implying knowledge,
esteem, affection, and sharing.

Celebrate meaningful moments
with the people you love
through a gift that elicits an emotion,
creates a beautiful memory, and,
over time, becomes a two way bond.

Step by step, element by element.

Donnaoro Elements. Meaningful gestures.

DonnaOro
ELEMENTS

Componibile

A success, a memory,
a date to be immortalised,
a passion, a new horizon,
an unforgettable journey, a love affair,
a dream to be achieved, a knot in the handkerchief...

A bracelet like a stave,
on which to mark the passing of time,
draw the key to life, compose memories,
hopes, achievements,
and convey “notes” of emotions, as in a symphony.
With a personal and unique style.

Donnaoro Elements. Sweet notes. Life's notes.

Mille Luci

Like precious sparks, they attract attention
and lead her to the most elegant and personal details.

The color reveals taste and character,
only enhanced by delicate shapes.

A sort of magic aura reflects off the body
and fascinates the beholder.

A small window on the world
that lets beauty in with a ray of sunshine
and spreads it outward in A Thousand Lights.

Icone

Symbols are means of recognition that recall a passion,
a desire, a way of wanting to express oneself.
Evocative signs that tell a story.

Some icons represent clear concepts,
while others often hide concepts
which are deeper or related to their own life experiences.
